**Hameed A. Hussain**  
Vice Captain  
ORYX HOUSE

**Noora Abdulrahim**  
House Captain  
PEARL HOUSE

**Khaled Suwaileh**  
Vice Captain  
PEARL HOUSE

# DHOW HOUSE

The sporting events we planned for Pink Day were a huge success, everything went as planned and everyone enjoyed the sporting events. Variety of sports were held during the pink day to provide every student with the opportunity to participate in various sports and show their skills. And the Teachers vs Students match was fascinating and we also had the Students vs Students tournaments which captivated a large number of students and sparked competition between the houses, which allowed us to witness the teamwork between the students which made them increase their skill and share knowledge with their teammates. Besides that, we had students cheering on their teammates who were playing on the field. And we would like to congratulate our Dhow House students for their victory in the Students vs Students matches and thank the other students for being part of the sporting events. Overall, it was a fantastic event, and we have no doubt that we will continue to host successful events along this journey.

Having a meeting with our Elementary Captains was extremely successful. We had a great time all together to get to know each other and have the chance to share our ideas to discuss upcoming events to motivate our Dhow House students to take part in sporting events. It was inspiring to see how our young leaders are attempting to create a positive impact on this journey.

# PALM HOUSE

We had the pleasure of meeting with the elementary school sports captains to gain their valuable insights on our goals. It was a productive discussion as they shared their ideas and perspectives on the upcoming events. It's great to see our young leaders actively involved and enthusiastic about making this day a success! The Pink Day tournament promises to be an exciting day, featuring, adding an element of fun and camaraderie to the event. Pink Day, with its Teacher vs. Student's

games, was a wonderful occasion for fostering fun and communication. It provided teachers a chance to connect with students outside the classroom, making learning more engaging. For students, it demystifies teachers and creates a more approachable atmosphere. Beyond the fun, Pink Day promotes school spirit and unity, strengthening the school community's bonds. We take immense pride in the incredible activity within the Palm House and of how they have performed.

# ORYX HOUSE

We had organized a Pink Day sporting event on the 19th of October, 2023. And we're delighted to report that we were able to overcome some of the challenges that arose to us throughout the planning process and ended up with an event, which I can confidently state was a success. In order to fulfill our main goal of getting everyone to enjoy the event, we offered a range of sporting games in hopes to suit everyone's liking, and that to us was the biggest achievement of

that day. The main factor which led us to accomplish this was teamwork. Which made us work harder, knowing that we all depended on each other. Moreover, we all had a shared goal which made it easier to work together and it benefited us by boosting our collaborative skills.

The meeting that we attended with the elementary captains was really valuable, for one main reason which is getting to know their ideas and how they are

going to embody their role. While listening to the variety of ideas they had really opened our eyes to the intellectual captains that were the right infant of us. We were astonished by their mindset, and the thing that stood out to us the most was that we weren't just helping them in fact they were also helping us, which showed that just because they are from a younger generation does not mean that their thoughts and ideas are to be belittled.

# PEARL HOUSE

The Pink Day sport events we organized were a great success, filled with enjoyment for all. We ensured inclusivity by offering a variety of sports and skill levels. We had Teachers vs Students matches followed by Students vs Students matches which got most students engaged. We also had students on the side to encourage their fellow teammates that are on the field. Teamwork was emphasized, creating a positive atmosphere. The color pink was incorporated throughout, symbolizing breast cancer awareness. Engaging the community further enhanced the events. Overall, it

was a memorable experience that achieved our goals and left a lasting impact. The meeting with the Secondary and Elementary House Captains was incredibly useful and joyful. It allowed knowledge exchange and it promoted unity, and encouraged personal growth. The older captains mentored the younger ones, creating a supportive atmosphere. The meeting was a valuable experience that will positively impact the team's progress. The Pearl's Sports Captains are pleased to see your interactions in upcoming events.
